The President's Corner

By: Kim Engle
Sr. Assistant Director
University of Miami

Hello everyone,

2021 seems to be off to a more favorable start than where we were last year at this time. During the past year the OBA board of trustees continued to work diligently to foster strong working relationships between schools, business partners and the Ohio Attorney General's staff. We believe that this has paid off based on the attendance of the 2021 Spring Virtual conference. We want to thank everyone who attended, contributed and presented at the conference, we felt it was a great success.

Our organization is of course still looking to increase membership of schools and business partners as this can only improve our understanding of improvements needed in Higher Education today. I invite all of you to invite your colleges and friends in this line of work to consider joining us.

We have had a great response to the open board positions and have most of them filled at this time. Laura Shannon our current president-elect will be sending out an email regarding a vote for the new president-elect in the coming days. Please take the time to complete this, if at all possible, we would like to hear from you.

Additionally, we will be looking for a four-year private board member if any of you are interested please reach out to Laura or myself.

And lastly, we will be looking to you, our members to help decide the path the OBA takes in the next few months. As more and more things are being opened, less restriction are in place about gatherings and more and more of the public is choosing to be vaccinated, we are considering holding an in-person fall conference. We understand that for some, they may not be comfortable yet with gatherings, or for others their schools or business are not allowing travel at this point. So, as the summer progresses we will be sending out a survey to gauge the interest and probability of having an in-person conference (s) in the fall. Please take the time to complete this survey, as the more information we have, allows us to make the best choice for the majority of our members.

Thank you for your time, and as always, be safe and we will see you soon.

Sincerely,

Kim

Four Year Private Representative

Position Available

Two Year Public Representative

Jessica Mautz
Central Ohio Technical College

Membership

Nathaniel Houser
Miami University

Business Partner Representatives

Scott Medley
Reliant Capital Solutions, Inc.

New Board Member Highlights

Cory Gadel, President-Elect

Cory Gadel has served as Bursar for Ohio Dominican University since July 2015. In this role, he has provided oversight to the Bursar Office including Perkins and Schell Loan collection. He has served on the OBA Board of Directors for the past years as the Four Year Private Representative. Cory began his career in education as a work study student in the Xavier University Bursar Office. After graduation, Cory worked in the for-profit education sector as a Business Office Manager and most recently served as Regional Business Office Director. Cory received his BSBA degree from Xavier University, and his MBA with a concentration in Finance from Franklin University. In his free time, Cory enjoys being a baseball and dance dad. He also enjoys vacationing with friends and family.

Sherry Boulding, Treasurer

Sherry has been in the education field for over 20 years, majority of the time in Finance. She spent 20 years of her experience, working for a community college in the Bursar's office. After leaving there, she did a short stint at a small private Catholic school in Cincinnati, Ohio, to her most recent position at Xavier University as the Bursar. She thoroughly enjoys working with students and being a part of their success and dreams as they cultivate their lives in helping making the world a better place.

She is married and a mother of three children and absolutely loves spending time with family. Additionally, Sherry enjoys traveling, and the Arts. One of her favorite places to go is the Big Apple. Per Sherry, "Every time I go there, it is always like the first." As far as the Arts, she loves going to plays and listening to music.

Kendel Holloway, Secretary

Kendel is a 2017 and 2019 graduate of American Public University with an MA in Organizational Leadership. She started her career in higher education in 2009 in the financial aid department at a local proprietary school and spent the next 11 years in various financial aid roles at different for-profit and non-profit schools in the Dayton and Cincinnati areas. She decided that she was ready for a change and took one of the Bursar roles at Hondros College of Nursing in February of this year. She still gets to help students pay for their education, but in a different way and with more opportunities. She is a firm believer of putting students first and will always advocate for them.

In the summer she enjoys riding rollercoasters...the taller and faster, the better! She also has a small handmade jewelry and craft business with her mom and goes to festivals and markets to sell the items made. It truly is a labor of love and nothing gives her more pride than seeing something she has made with her own hands go out into the world!

Scott Medley, Business Partner

Scott Medley is the Executive Vice President of Sales for Reliant Capital Solutions. Scott is celebrating his 38th year in Higher Education. Experienced, knowledgeable and well versed in; collections, operations, training, policy development, sales and industry compliance. This expert knowledge and experience makes Scott a trusted and valuable resource for Reliant's clients.

Scott is also an ACA Certified Collector and Certified Trainer. Scott offers training to Reliant clients and will work with each institution to develop a training curriculum specific to your employee needs. Scott presents annually at National and Regional higher education conferences and workshops.

Scott's TV has two channels, ESPN and Fox news, his addiction is sports of all sorts and Politics. Scott plans to retire in an ocean view condo in the Florida Gulf Coast.

Announcement Corner

- The OBA is in immediate need to fill the 4-Year Private Board of Trustees position. If you have anyone on your staff interested in becoming a voting member of the organization please reach out to Laura Shannon at l.a.shannon@csuohio.edu
